We ran into an issue a couple days ago where it was urgent we contact a family member, but all we had was a home phone number. Would you please help us by E-mailing me all your contact information at: kristy@waterfordseniorliving.com OR writing it down & dropping it off next time you’re in OR giving me a call & giving me this information. Kentucky Derby
Mothers Day
On May 9th we honored our mothers with a wonderful lunch of Beef Tenderloin Steaks cooked on the grill. Barb made a gorgeous cake for us all to share. The kitchen staff really outdid themselves this time. All the mom’s received a corsage as they entered the dining room and had their picture taken.

At Waterford Senior Living we have 31 mothers. Between them they have:

- 124 children
- 312 grandchildren
- 281 great grandchildren
- 7 Great-Great grandchildren
This year we are traveling the United States without leaving our home. Every week are “traveling” to a different state until we have traveled to all 50 states and the District of Columbia. We have been having so much fun. We have had some fun along the way and learned a lot about this great country of ours. Every week we listen to the state song, take a state trivia quiz and watch videos and sometimes taste food from that state.

In California we had wine tasting. Rosemary Christiansen came and did a lovely presentation on various kinds of wine, their history and how they are made. We tasted 4 different varieties of wine.

In Maine we tasted Blueberry muffins. Illinois is where the Ice Cream Sundae was started so of course we could not pass up the opportunity to have ice cream. In Montana we “flew” over the state to see its beauty. In Georgia we compared fresh peaches to canned peaches. As you can see, we like to eat.
We traveled to Kentucky and had our own Kentucky Derby. We made fancy hats, had mint juleps and raced horses. This is the first year that the winner of our race was the winner of the actual race. Thanks to Sue Johnson for coming and helping out this day.

The next states we will be going to are: Alaska, Oklahoma, Maryland, Michigan, Wyoming, Washington DC, Texas, New Jersey, Mississippi, West Virginia, Oregon, Idaho, and Delaware in that order. If you have any fun artifacts from any of these places that you have traveled to let us know.
