TOGETHER WE CAN

That was our theme, and what we believed to be true, while raising money for the Alzheimer’s Association “WALK TO END ALZHEIMERS” in Waukesha this past week-end. Thanks to all of you and our community, our team (The Waterford Senior Living Dream Team) was able to donate over $700.00. We didn’t quite reach our goal of $1,000, but we were very proud of our donation. It was a beautiful day for a wonderful cause. Many people walked in memory of a loved one, many walked for a cure, many people who actually had the disease were there to walk. It was very moving to see so many people walking for such a good cause. So THANK YOU, THANK YOU, THANK YOU for your support.

It is true….TOGETHER WE CAN; AND TOGETHER WE DID!
As many of you have seen, we now have a pier down in the pond. This is courtesy of Senior Girl Scout Catrice Vukodinovich. This was her Gold Award Project. She had to organize, build and install the whole thing. She got a lot of help from family and friends, especially the day of installation. It is wonderful go down and sit on the bench. We have seen minnows, frogs and tadpoles. We are hoping for some bigger fish so we can go fishing. Come on down and sit a spell with us. Thanks to Catrice and her crew.
At our State Fair we had stuff on a stick for lunch. Cindy made us cream puffs for dessert. YUM!! Thanks to Shelly and the Kitchen staff for getting in on the fun and making our day so special.
This year's State Fair was on August 1st. It was a beautiful day. We had exhibits inside of Scrapbooking, cake decorating, photography, canning, painting, crocheting, knitting, cross stitch, sewing, beer & wine making. Outside we played carnival games. You could win a goldfish, rubber...
played carnival games. You could win a goldfish, rubber duck or a farm sucker. Then the animals came. We had a horse, a miniature horse, goat, chickens, puppies, kittens, and a bunny. We also had 8 antique tractors that came for our viewing. What fair would be complete with cotton candy, snow cones and ice-cream. Thanks to all of our staff and volunteers who helped make this day so much fun.
The 1st graders from St Thomas come every year to visit us. They come about once a month. Now that school has started they came for their first visit. It is a new batch of 13. Mrs. Kempken is so nice to make time in her schedule for us. This month was a getting to know you and to do stretching and big ball game with us. They sure do have a lot of energy. They will be back in October with the Kindergarteners and 2nd graders to Trick-or-Treat.
This year we are traveling the United States without leaving our home. Every week we are “traveling” to a different state until we have traveled to all 50 states and the District of Columbia. We have had some fun along the way and learned a lot about this great country of ours. Every week we listen to the state song, take a state trivia quiz and watch videos and sometimes taste food from that state.

When we went to New Jersey we had an M & M Tasting. We tried 7 different kinds of M & M’s. Who knew there were so many. In Missouri we had ice-cream in a cone. Ice cream cones were first used at the St Louis Worlds Fair. In West Virginia we had golden delicious apples. In Oregon we watched how Maraschino Cherries were made and then ate some. Idaho we ate potato chips. In South Dakota we had popcorn for the Corn Palace in Mitchell and we also had corn cob jelly.

The next states we will be going to are: Mississippi, Washington, Colorado, Arkansas, Utah, Virginia, Vermont, North Carolina, Kansas.
Help Needed

If this year you planted a garden and you have an over abundance of produce, we would love it. We are especially looking for squash and zucchini.

We are looking for a place to store our 17 big, beautiful hanging baskets for the winter. It needs to be a place where they will get some light and be warm and get watered. If you know anyplace please let Cindy L know before Sept 30th.

One more thing we are looking for is someone who can come with a pick up truck and help empty out our pots of plants and dispose of them. In the past we have had a farmer come and do this and then till them into their field. Again, we need to know of any one by Sept 30th.
