A Night of Remembrance

What a beautiful evening we had last Thursday as we remembered all of our residents who have passed away while residing at our facility. We always say, “We don’t just lose a resident; we lose their family as well.” This is one of the reasons we look so forward to this annual event. At our memorial we eat a little, laugh a little, maybe shed a tear or two, share stories and memories and most importantly gather in our Memory Garden to honor those who have left us. The team from Allay Hospice also offered their support and provided us with a beautiful reflection and flowers in remembrance of all our past residents. It was a very uplifting event that will continue to be an annual event for many years to come.
The residents have requested that we continue our travels and see the world. Our next countries will be Slovenia (Sept 22-26), Andorra (Sept 29-Oct 3), Belgium (Oct 6-10), Lithuania (Oct 13-17), Slovakia (Oct 20-24), Ukraine (Oct 27-31), Czech Republic (Nov 3-7), Monaco (Nov 10-14), Georgia (Nov 17-21), and Azerbaijan (Nov 23-28).

If you have travelled to any of the countries coming up and would like to talk about them, please let us know. If you have any artifacts from these countries that you would be willing to share, stop by and bring them in! We love to taste food from other countries and hear about them. Give Cindy L. a call and let her know if there is anything you can do. 262-534-4800.
This year's State Fair was a wonderful event. We had food, families, animals, games, cream puffs, exhibits, tractors, and FUN!! The Racine County Fair Queen even came to our fair. One of our tractor owners came with his wagon and gave hay rides. We had a turkey, miniature horses, goats, a calf, kittens, a bunny, sheep, and chickens.

Thanks to all of our great volunteers who brought animals, ran games, served food, brought exhibit items, rode tractors, and helped all of our residents have a great time. They made it easy for everyone to get outside and see the sights.

Thanks also to all of the staff here at WSL who came in early, stayed late or came on their day off to help out. We couldn't do this without you.

Mark your calendars for next year. Our State Fair will be on August 6th. This is a fun family event.
Construction Up-Date

Construction has started. The supervisors and spectators are out. We have been watching them pour the concrete sidewalks in the courtyard. Unfortunately, Mother Nature is not cooperating. It has rained every other day. Then they have to wait for things to dry out so they can get working again.

65th Wedding Anniversary Celebrated

We celebrated Stan and Dorothy Kerkman's 65th Wedding Anniversary on Sept 2nd. They were married on August 27th, 1949. When asked what was the secret to success they said hard work, love each other and have fun.
