Finally….our new addition is finished, done, up and running. We’re sure a lot of you noticed everyone “running around like crazy” right before our open houses. As with anything, a lot of last minute details needed to be addressed before we could officially open our doors. Things have calmed down a little bit, but there continues to be new and ongoing tasks to have our new Memory Care be the best it can be.

This brings up something we had noticed and perhaps you had too. Are we all busy? YES!! Are we ever too busy for you? NO!!! This was experienced firsthand on the Saturday of our open house. We were scheduled to open the doors in about 20 minutes, I had a couple walk in to inquire about our building, and one of our residents stopped me to build a strong team. It’s what we do.

Speaking of our Memory Care, we are sure you are all aware of the prevalence of dementia and Alzheimer’s disease in our world. It is a crippling, cruel, heart wrenching illness that affects thousands of people every year. Great strides are being made to find out about the causes, prevention and hopefully a cure. But this all takes money.

We as a Waterford Senior Living family are taking the fight to the streets. The streets of Waukesha (Frame Park) to be exact.

Please consider joining us in this fight as we WALK TO END ALZHEIMER’S on 9-8-12 from 10:00 am – 2:00 PM. Some ways you can join in are: JOIN US AS WE WALK, SPONSOR OUR WALKERS, ASK OTHERS TO WALK WITH US OR SPONSOR OUR WALKERS, or SPONSOR A FUND RAISER WITH FRIENDS such as a bake sale, rum
Volunteer Highlight

This months Volunteers are Maggie and Rachel. They come in the summer every Monday and make Smoothies for us. Maggie and Rachel are 2 wonderful High School girls who have been coming for 3 years now. They try to make the fruit smoothies out on the patio unless it is raining (not this year) or tooooo hot. It is so nice to have volunteers of all ages that are will to give us their time. Thank you girls.

Looking for a new way to communicate with your parent or grandparent? We can now Skype. We have already had two residents talk to grandchildren in the Sudan and London. Your relative would like to hear from you too. You don’t have to be that far away to Skype: Across town, across the country or across the world. If you would like to set up a time to Skype with your relative please email Cindy L at:

cindyl@waterfordseniorliving.com.

We have the capability to do this either in their apartment privately or in one of our sitting rooms. Let us know what works best for you. Our Skype name is waterfordseniorliving.
