Employees of the Month

The Employee of the Month for May was Rhiannon. She is the Activity Assistant in the Memory Care. She is so bright and bubbly and comes up with great ideas. The Employee of the Month for June was Amy. She is also an Activity Aide in Memory Care. She has come on board with a positive attitude and a passion for her job. Thanks to these 2 ladies for the great job they do.
Dairy Day

June is Dairy Month. Well……. a month is a bit long to do anything so we celebrated for one day. We had fun tasting different flavors of milk. We taste tested 3 different kinds of yogurt to see if we liked Greek, regular or low fat the best. Then we tried 6 different kinds of cheese. The most fun was seeing the difference between home-made or store-bought ice cream. We played Dairy games. We knocked over milk bottles, milked a cow and shot beanbags into a milk can. We also got our “Got Milk?” milk mustache picture taken. Who knew that you could have so much fun with milk? Thanks to our volunteers who came and helped us this day and to Tonia’s husband for bringing us the flavored milk.
Fathers Day

On May 9th we honored our fathers with a Cookout. The kitchen staff really outdid themselves. All the dad's received a boutonniere as they entered the dining room and had their picture taken. At Waterford Senior Living we have 13 fathers. Between them they have:

- 63 children
- 119 grandchildren
- 62 great grandchildren
4TH OF JULY
This year we are traveling the United States without leaving our home. Every week we “traveling” to a different state until we have traveled to all 50 states and the District of Columbia. We have been having so much fun. We have had some fun along the way and learned a lot about this great country of ours. Every week we listen to the state song, take a state trivia quiz and watch videos and sometimes taste food from that state.

In Michigan we tasted Cherries, in Alaska we had Eskimo Pies. When we got to Wyoming we had a cowboy come. Cactus Charlie (better known as Charlie Keys) came and did some roping tricks. Cactus Charlie is the World Record Holder for having the longest amount of rope out to form a twirling circle. His record is 114 feet. He also did some whip cracking and some rope magic tricks. It was fun to watch him snap a flower out of Cindy’s hand with his whip.

The next states we will be going to are: Missouri, West Virginia, Oregon, Idaho, Delaware, North Dakota, South Dakota, Rhode Island, South Carolina, Louisiana, Indiana, and Mississippi in that order. If you have any fun artifacts from any of these places that you have traveled to.
