The Waterford Senior Living Family, and we may just assume you know everyone and what their roles are, but we decided to take this year to tell you a little bit about all of our staff and what their main job duties are. I say main, because nothing is out of anyone's job description. We have all wiped up floors, plunged toilets, shoveled snow and anything else that needs to be done. Here are 3 of our staff:

Carol & Kathy are our “tag team” housekeeping staff. These two women really seem to have a system down and together not only get all 40 apartments cleaned every week, but pick up on any extras that need attention too. Just to remind all of you, one week your entire apartment gets cleaned, and the opposite week your toilet, bathroom sink, trash, recycling and any dishes in the sink get washed. If they notice anything else that can’t wait until the next week, they are always right there to get it cleaned up. Carol and Kathy can’t read minds though, so if you see they have missed something or you would like something extra done, just ask them, they are here to help keep our residents apartments looking good.

Tonia is our new Administrative Assistant. She has been with us since the end of January and really enjoys seeing all the smiling faces. She recently graduated...
Tonia will be providing administrative support to Management and staff as well as assisting in the staffing process of new employees, assisting in staff training and orientation, and she will also be performing general office duties. If you have not yet met Tonia, please stop by the office and say Hi to her as she is always looking forward to meeting many more smiling faces.
Spotlight on: Pancake Day

February 21st is International Pancake Day. It is celebrated big in England and Liberal, Kansas. It dates back to the 1600’s. Traditionally there is a Pancake Race, Pancake Eating Contest, Pancake Flipping Contest, English High Tea and an Ecumenical Shrove Tuesday Service. We here at WSL had all the same activities. We raced, flipped and ate pancakes. In the afternoon we had our Shrove Tuesday service and ended with English High Tea. We all wore our fancy hats. What a fun day.

Meet Your New Neighbors

Alex McEwan

Alex moved in on March 5th 2012. He worked in the office of the Wisconsin South Gas Company in Lake Geneva for 33 years. Alex lived in Burlington for 40 years. Alex has 5 children: 1 son: Brian in Milwaukee. 4 daughters: Sandra in Mequon, Pat in Madison, Bonnie in Madison and Sherrie in Burlington. He has 6 grandchildren and 1 great grandchild.

Alex likes to read and watch TV. He likes to watch the Packers. He is also a veteran having served in the army.

Pi Day

March 14th is Pi Day. That is because Pi (the circumference of a circle) starts with 3.14 i.e. 3rd month 14th day. We celebrated by eating lots of different kinds of pie. Breakfast started with Quiché, an egg pie. For lunch we had Sheppard's Pie and Triple Chocolate Layer Pie for with Chicken Pot Pies and Eskimo Pies for Supper. Who knew there were so many different kinds of pie?

Cindy also put on the wall the first 47 numbers of pi. Pi, being an infinite number, would go on forever. We thought 47 was overwhelming enough.
Birthday Lunch

On March 13th we celebrated the March birthdays. This month Pat, Mary and Bill were the Birthday folks.

Barb made a beautiful cake for dessert. They were all given a gift certificate to the WSL Salon a gift from Carrie and WSL.

Employee of the Month

Our Employee of the Month for February was our very versatile Rose. Being so versatile is one of the reasons her co-workers chose her for this honor. Just a few of the comments on Rose’s nominations were “For helping where and when help is needed”, “She is so awesome to work with, she is always there to pitch in” and probably the most important comment was “she is so nice to all of our residents”. Good Job Rosie and Congratulations on a job well done!
