While you were out celebrating we were too. At “11 o’clock” we gathered to play games, dance, have fun, watch the ball drop and toast the New Year. It was a great time and we were in bed by “Midnight”. Thanks to all who came and made it a fun night for us all.

A Note From Kristy and Cindy W.

IT’S THAT TIME OF YEAR WHEN:

We need to remind everyone that as much as we love to have visitors at our facility, PLEASE do not come if you have ANY cold, flu, symptoms or a fever. We have had several staff and residents not feeling their best, but so far it’s been well under control. Some precautions we have put in place is; reminding everyone to wash and sanitize hands and keeping residents in their apartments for 24 – 48 hours if they have any cold or flu symptoms. Please feel free to use the hand sanitizer when you enter & exit our facility.

And another reminder - If Waterford Senior Living manages your medications under no circumstances can over the counter medications be taken without Waterford Senior Livings knowledge and a doctors order given to the facility. There is no age or income limit, but an individual can only get a TEPP voucher once every three years for the same type of disability.

Nurse Nancy Notes

Important information for anyone that is deaf, hard of hearing, speech impaired or mobility or motion impaired. Would some special equipment help you or someone you know, make better personal use of the telephone?

ARE YOU AWARE OF TEPP?

It is the Telecommunications Equipment Purchase Program and it is provided by the Public Service Communication of WI. It helps people with disabilities buy equipment they need in order to use basic telephone services. The TEPP is paid for by the Wisconsin Universal Service Fund (USF) established by the Public Service Commission. Money collected from Wisconsin telephone service providers to fund the USF. Does it sound to good to be true?

There is no CATCH. All you do is fill out an application on-line or send in the simple application form. TEPP requires that an applicant:
- Be a Wisconsin Resident
- Be a person who is deaf, hard of hearing, speech impaired, or mobility or motion impaired
- Needs special equipment to use the telephone in the home or when traveling (like a TTY, amplification visual alert system, etc)

There is no age or income limit, but an individual can only get a TEPP voucher once every three years for the same type of disability. There are many different voucher amounts for each category of disability.

I would encourage you to go on-line at: https://tepp.wifli.com to fill out an application or click on “TEPP Information” to print an application or find answers to your questions. You can also get an application or ask questions by calling or writing: Public Service Commission PO Box 7854 Madison, WI 53707-7854 (608) 231-3305
